1. The Governance Model

Effective governance in the Trust is supported by:

- Members who are guardians of the constitution.
- The Board of Trustees who are accountable for educational standards and financial conduct across the Trust.
- The Risk and Audit Committee who maintain oversight of risk and compliance.
- The Finance Committee who maintain oversight of the financial position.
- Local Governing Bodies who have delegated authority as per the Terms of Reference and Scheme of Delegation set out in this document.

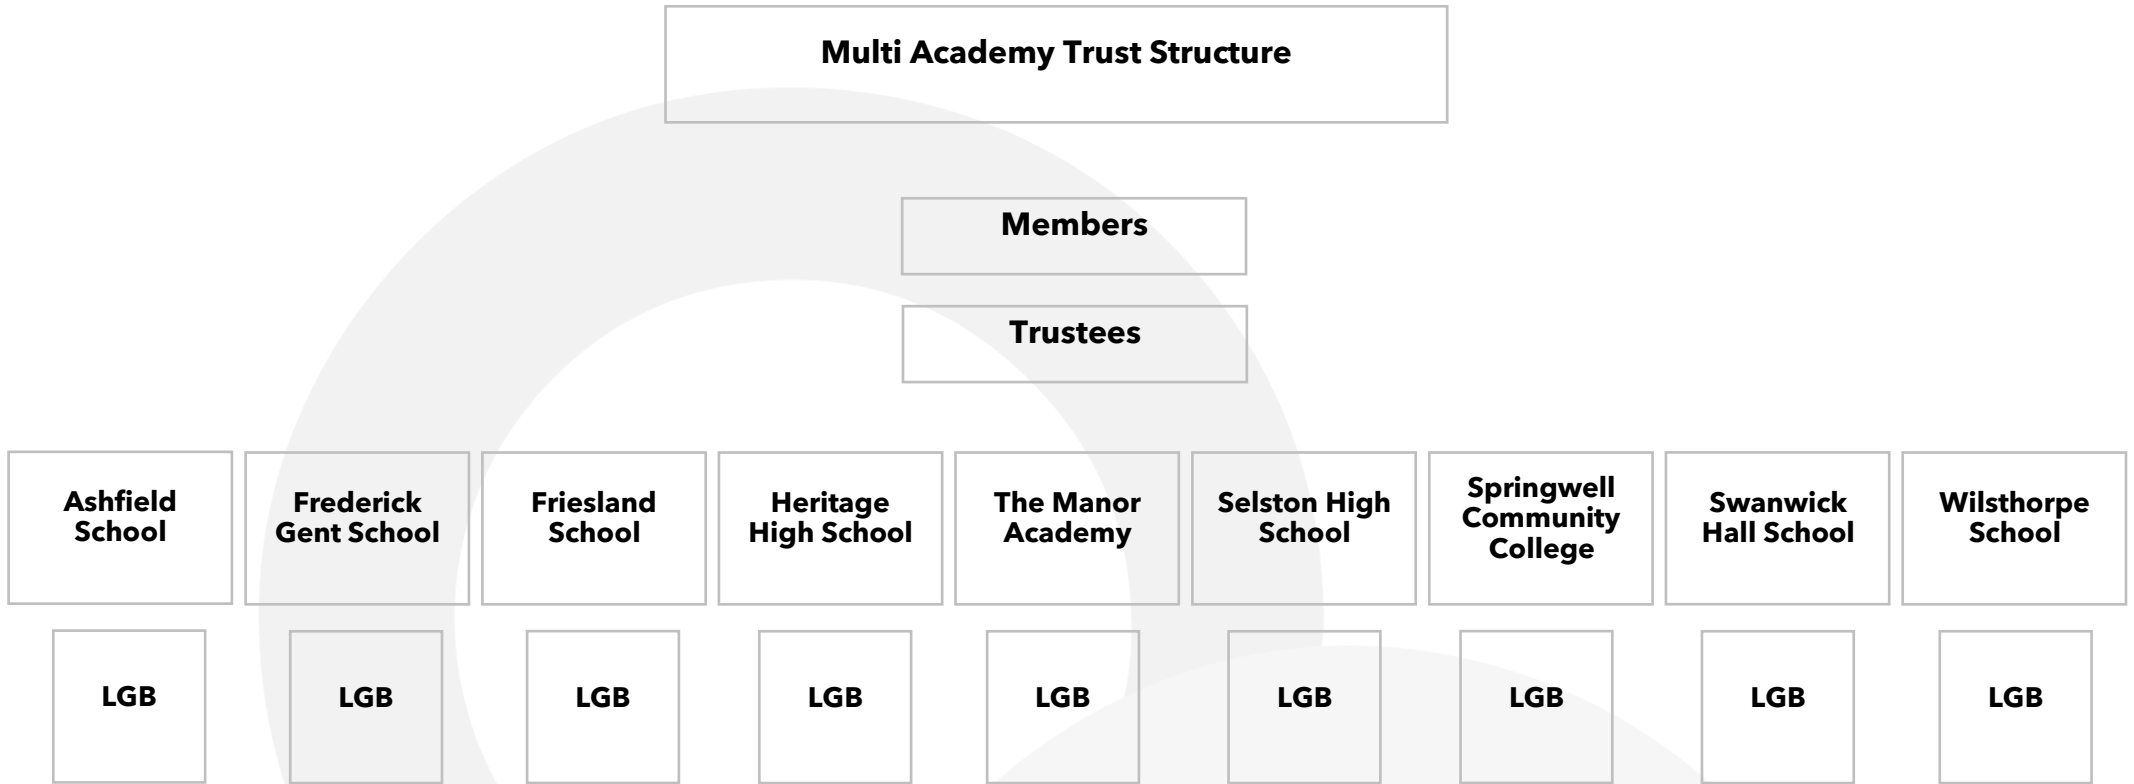

The Two Counties Trust is governed by the Board of Trustees who are accountable to the DfE. They have overall responsibility and ultimate decision-making authority for all the work of the Trust, including the establishing and running of the academies operated by the Trust.

To assist with the discharge of their responsibilities, the Trustees have established a Local Governing Body for each of the academies. The LGB shall be a committee established pursuant to Articles 100 and 104 of the Articles of Association.

The governance structure is underpinned by the Articles of Association and the Local Governing Body Scheme of Delegation which shall be reviewed at least annually.

Financial governance, must as a foundation, be compliant with the principles and regulations set out in the Academies Trust Handbook and the Funding Agreement.

3. Our Mission:

Our Mission

To provide our students with opportunities and experiences to enhance their life choices, making a positive contribution to the world we share.

Our Strategic Anchors

To:

- Create a healthy organisation, free from politics and confusion through clarity following the empowered to lead operating model.
- Build a compelling school culture built on strong professional relationships where all can achieve.
- Craft and implement a high-value curriculum that is knowledge-rich to allow the meaningful application of skills.
- Put people first through high impact professional development and instructional coaching.

4. Core Values

Ambition: We maximise our potential through striving for excellence

Teamwork: We give 100% effort, displaying kindness and humility for the benefit of all

Honesty: We are respectfully open about our successes and areas for growth

5. Key Strategic Projects 2021-2024

Develop a strategy for students needing an alternative pathway to ensure they have both tailored and high-quality provision which fully prepares them for their next stage in education, training or employment.

Ensure our Sixth Forms offer a high-value curriculum in an adult like environment and exploits opportunities for students to benefit from different sites.

Launch a talent strategy which maximises our ability to recruit, develop and retain exceptional people.

Facilitate an efficient and coherent estates and site strategy to improve working and learning conditions.

6. The structure of Governance within The Two Counties Trust

Members

The Trust has up to five members whose role is similar to shareholders in a company. Members have ultimate control over the Trust and ensure the charitable object is fulfilled. The Members appoint some of the Trustees and can exercise reserve powers to appoint and remove Trustees, but it is anticipated that this power will be rarely exercised. Members may also amend the Articles of Association and, if necessary, wind up the Multi Academy Trust. Members will meet as often as is necessary to carry out their duties, but at least on an annual basis.

Board of Trustees

The Board of Trustees holds overall responsibility and accountability for the performance of the Trust. Trustees are company directors registered with Companies House. The Trustees are personally responsible for the actions of the Trust and the Academies and are accountable to the Members, the Secretary of State for Education and to the wider community for the quality of the education received by all students and for the expenditure of public money. The Trustees are required, as Trustees and pursuant to the Funding Agreements, to have systems in place through which they can assure themselves of the quality, safety and good practice of the affairs of the Academy Trust.

A Link Trustee acts as a conduit between the Board of Trustees and a Local Governing Body. Link Trustees engage with Local Governing Bodies and support them to develop their understanding of the role of the Trust Board and to fulfil the expectations of the Trust. Link Trustees also engage with Local Governing Bodies to better understand their challenges and open communication channels between the Governors and Trustees.

Trust Board Committees

Trust Board Committees provide high-level scrutiny. The principle of 'no duplication of governance' requires a clear differentiation of the nature of the scrutiny and challenge provided by the Trust Board Committees of each Academy's contribution to the overall performance of the Trust. The Board of Trustees will nominate a Risk and Audit Committee who will be accountable for standards and risk, a Finance Committee who will be accountable for compliance and overseeing the management of the Trust Finances, as well as a Remuneration Committee who will be accountable for the performance management and pay review of the Executive Team including the CEO.

The Local Governing Body (LGB)

Each LGB supports the work of the Trust Board by taking decisions / making recommendations as set out within this document. The LGB is comprised of Governors and other representatives drawn from the Academy's community, both as elected and appointed members.

The Local Governing Body is accountable to the Board of Trustees.

The broad duties of a Local Governing Body are set out in the Terms of Reference.

The Two Counties Trading Company

The Trust operates a limited company to manage the Ashfield Plaza Day Nursery and ancillary operations across a number of sites. The Trustees will appoint up to five Company Directors to oversee the management of the Trading Company. The Trading Company Board of Directors meets at least three times a year.

The Role of Members

- are the subscribers to the Trust's Memorandum of Association (where they are Founding Members).
- may amend the Articles of Association (the Articles include a definition of the Trust's charitable objects and governance structure) subject to any restrictions in the articles or in the Trust's funding agreement or charity law.
- have powers to appoint and remove Trustees in certain circumstances.
- appoint the Trust's auditors and receive the Trust's audited annual accounts (subject to the Companies Act).

In deciding and agreeing the Scheme of Delegation, senior officers of the MAT will consult with Chairs of Governors annually to ensure effective governance arrangements exist within The Trust.
